

**K.V.R GOVERNMENT COLLEGE FOR WOMEN (A), KURNOOL**  
**CONSTITUENT COLLEGE OF CLUSTER UNIVERSITY, KURNOOL**  
**ACTION TAKEN REPORT TAKEN REPORT 2021 -22**

**Feedback Analysis of Stakeholders and Action Taken Report**

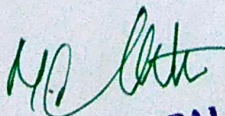

The feedback received from the stakeholders such as students, alumnae, and teachers is analyzed. The curriculum is well-framed and updated with the new trends in the fields. Our institution followed the syllabus designed by the Andhra Pradesh State Council of Higher Education (APSCHE) and the syllabus is changed in every subject following the university nominees as subject experts in respective subjects and their suggestions were considered while analyzing the curriculum and right conclusions are derived.

All the departments are offering certificate courses in the relevant subjects as additional input. Some of the departments organize diversified programs and encourage the students to participate in social service and channel their untapped energy.

As a part of the New Education Policy, 2020, 17 market-oriented professional courses like life skills courses and skill development courses were introduced in the curriculum to face global challenges.

Community Service Projects and internships are introduced to expose the students to society and awaken social responsibility besides gaining practical knowledge in their respective subjects.

More campus drives were conducted, and coaching for competitive examinations is included in the curriculum. Students' Study projects are made compulsory by all the departments to inculcate the research bent of mind among the Students.
