Policy Document

KVR Govt. College for Women (A) Kurnool was established in the year 1958 and the corpus fund of Rs. 1 lakh is donated by the philanthropist Kasi Reddy Venkata Reddy garu for the cause of Women education. In view of uplifting the meritorious students and to promote higher education, the philanthropists have started a fund called endowment to encourage and motivate students in the form of cash prizes and medals.

A committee was constituted under the chairmanship of the then principal of the college Dr.G.Dharma Raju and a first meeting was conducted in the year 2013 with the following resolutions.

Resolutions:

1. It is resolved unanimously to maintain minutes book, endowment prizes acquittance and list of fixed deposits with effect from 2012-13.
2. It is also resolved to transfer various fixed deposits that are being maintained for the purpose of distribution of endowment prizes in the form of cash every year to Andhra Bank, Ashok Nagar Branch, Kurnool.
3. It is also resolved that faculty can also come forward to donate endowment prizes to meritorious students in their concerned subjects and courses. The college constituted endowment committee to execute the dispersion of funds in a transparent manner. Every year the committee should identify the meritorious students and distribute the amount generated from fixed deposits in the form of interest on the College Annual Day celebrations.
4. It is resolved to make this tradition a customary and mandatory for the forthcoming students who have graduated from this college.
5. It is also resolved to increase the no. of endowment prizes in future if any faculty or philanthropist is willing to contribute.

The number of endowment prizes by the philanthropists is increasing every year. It has created a happy ambience for the student to utilize the cash secured in the form of merit trophy to achieve greater zenith of success.
