Grievance Redressal Policy

26.11.2020

Grievance Redressal System is a mechanism which deals with the grievances of students and staff of the college. The institution provides mechanism to the students for **redressal** of their **grievances** with regard to their complaints on academic and non-academic matters. The students and the staff are encouraged to file their grievances offline/online. This would be taken up by the Grievance Redressal cell and necessary action would be initiated, after due process of enquiry within a reasonable time, preferably within a week.
