

HERITAGE CLUB

With an objective of help students to pursue their hobbies and interests and to bring people together the student clubs are created at the KVR College For Women. As a club member one knows about one's self, one's interests and one's goals. Students can unravel their strengths like multitasking, organization skills, team Building skills, leadership skills and service mindedness. They can also add skills to their repertoire. The clubs also help in pursuing an old hobby. Networking opportunities being major benefit Club members develop bond among themselves which help in growing their careers. Association of students with clubs help in showcasing ones domain interest, balance between work and hobbies. Activities organized/participated as a club member looks good on the resume.

Vision:

The Tourism Club of our college is formed with an objective of creating awareness among the students about Tourism activities and to incorporate the student's strength and potential in the development of tourism in our State.

With the support of the District Tourism Promotion Council, the tourism club was set up in our college in the year ---- to create proper awareness about tourism among the youth and to promote Andhra Pradesh tourism. Tourism club is effectively functioning in the college and the club conducts seminars and talks on the relevance of Tourism in Andhra Pradesh.

The idea of setting up Heritage club in the college is to provide training and resources to

teachers in urban and rural areas. It was done with the motive of creating awareness and participation in heritage related activities among the students. At present, HECS has a

nation-wide network which includes 3556 schools in 132 cities and town across the country. It has over 3,50,000 members participating actively in its work.

Every student who becomes a member of heritage club is motivated to participate in heritage conservation and to learn more about their local and natural heritage. A student who becomes a member of INTACH Heritage Club receives:

Heritage club badge to become a part of the growing community of heritage keepers.

Heritage club passport to identify with the Heritage Club movement.

Nine Stars is given to record information about the natural and cultural heritage of their town and city.

Young INTACH which is a quarterly newsletter for Heritage Club student members on various aspect of heritage

related news and information.

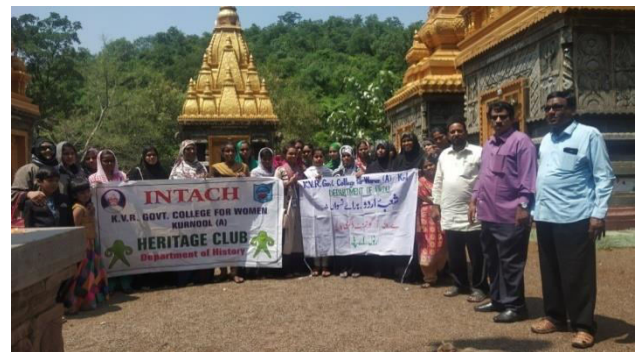

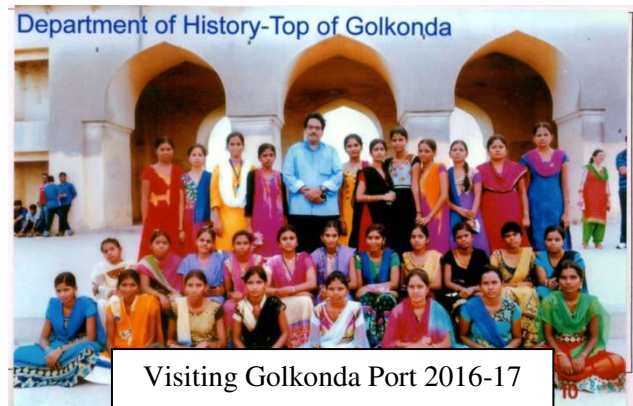

Visiting Kondareddy Buruju 2015-16

The heritage club programmes are designed so as to involve students in various activities geared towards heritage awareness and education for for Art and Cultural Heritage (INTACH) was founded in 1984 in New Delhi with the vision to spearhead heritage

awareness and conservation in India. Today INTACH is recognized as one of the world's largest heritage organizations, with over 190 Chapters across the Country. In the past 31 years INTACH has pioneered the conservation and preservation of not just our natural

and built heritage but intangible heritage as well. Headquartered in New Delhi, it operates through various divisions such as Architectural.

Heritage, Natural Heritage, Material Heritage, Intangible Cultural Heritage, Heritage Education and Communication Services (HECS), Crafts and Community Cell, Chapters, INTACH Heritage Academy, Heritage Tourism, Listing Cell and Library, Archives and Documentation Centre. Archaeology is a multidisciplinary subject that integrates the knowledge of history and

2021-22

VISIT TO ARCHAEOLOGICAL MUSEUM, KURNOOL

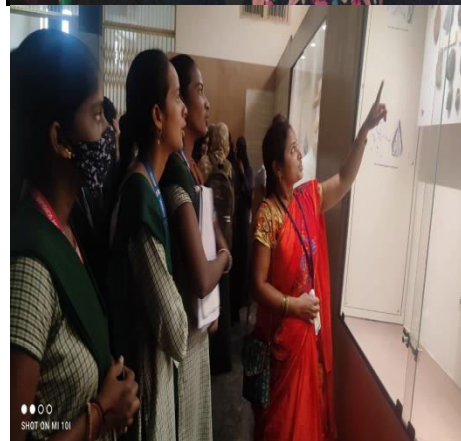

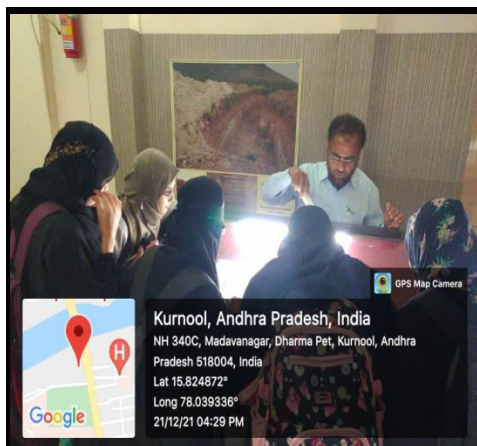

The Heritage club members along with students visited the local Archaeological Museum which is located on the left bank of river Handri on 22/12/2021

The museums provide an effective way of learning. Museums educate and inspire us to know our past culture. Museums offer ways to stimulate new ideas resulting in creation of more art.

The students came to know and learnt about the pre-historic period. They came to know about a lot of things which came to light because of excavations.

The students were amazed at seeing the tools used by the Paleolithic, Mesolithic and Neolithic man which were unearthed during excavations in different regions of the Kurnool district. Students also

learnt about the burial systems of Megalithic people.

The students were excited at seeing the different types of weapons like Swords, daggers, kanjars, guns. The students were very interested to see the sculpture of different periods, especially from Kurnool district.

It is very beneficial to visit the Museum as it preserve the legacy of the local humanity. They also learnt that it is an enlightened place for the present and future generations.

When students learn about different cultures, people and historical events from other times and places, it widens their awareness of the world around them. Visiting museums can allow young students to further their awareness and empathy for others.

anthropology with subjects like geology, chemistry and art. The areas of specialization include numismatics and epigraphy. To become an archaeologist, one should study the subject at the Master's degree level and pursue M.Phil. or Ph.D. The Centre for Heritage Studies, Hill Palace, Thripunithura conducts a one-year postgraduate diploma course in archaeology; museology, archival studies and conservation. The course has been designed to train students in the fundamentals of archaeology.

In connection with archeology and tourism we train our students to get knowledge and improve themselves in sharpening the wisdom I'm history with the help of artifacts.
